2. The tenders should be superscribed as "Tender for the right of felling and removing of standing trees." The rate should be per C.ft. of each kind written distinctly in words as well as in figures.

3. Each tender should be accompanied with the earnest deposit of Rs. 50 in currency notes which will be returned in the case of unsuccessful tenderers.

4. The acceptance of tender rests with the Conservator of Forests or the District Forest Officer, as the case may be, who reserves to himself the power of accepting or rejecting any tender without assigning any reason therefor.

CONDITIONS.

5. The successful tenderer will at once deposit Rs. 100 as security for the due performance of the contract.

6. The successful tenderer will, within a week of the receipt of the intimation of the acceptance of the tender, execute an agreement accepting the terms specified below, in default, the order of acceptance will be cancelled and the deposit forfeited to Government.

(*a*) That he binds himself to fell the timber he has purchased in not less than the following proportions:—

One half by the end of January 1928.
Balance by the end of April 1928.

In any case, in which an extension of time for payment of the amount is granted, such payment shall be made together with interest at 9 per cent per annum from the due date.

(*b*) That trees shall be felled regularly from one side. Picking and choosing will not be allowed; in felling trees, care should be taken to fell so as not to cause damage to the surrounding growth.

(*c*) That he binds himself to pay for and remove all marketable portion of a tree either in poles or pieces.

N/B.—All pieces capable of yielding cart-wheel materials are included under the head "Marketable portion."

(*d*) That the timber prepared out of each tree shall be measured and stamped by the Range Officer or such other officer as the District Forest Officer may authorise; until the timber is so marked, it shall not be removed.

(*e*) That he shall pay for all the timber measured as per clause (d) before removal from the Forest or Depot fixed by the District Forest Officer.

(*f*) That all removals shall be effected under passports issued by the Forest Officer in charge of the Forest and on presentation of the Treasury receipt for the value of the timber he intends to remove.

(*g*) That the timber paid for, but not removed by the 15th July 1928 shall lapse to Government.

(*h*) That he agrees that such timber as may not be paid for before the 15th June 1928 shall lapse to Government.

(*i*) That he agrees to abide by the rules of the Forest Department as regards kindling of fires and hold himself responsible for any forest offences committed by his agents, employees and workmen.

(*j*) That he agrees to the cancellation of the contract and the forfeiture of his deposit for breach of any of the terms of the contract.

(*k*) That he agrees to coppice all teak trees other than those marked as standards.

C. A. JABBAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Dated 19th September 1927.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. of 10th October 1927, for conversion of Bullock Stall into Sepoys' Quarters at Transport Lines. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1928.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees five hundred (Rs. 500) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Conversion of Bullock Stall into Sepoys' Quarters at Transport Lines" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Conversion of Bullock Stalls of the Transport Corps into Sepoys' Quarters, Bangalore.

Sl. No.	Items of work	Per	Rate
1	Earthwork excavation foundation and filling basement with consolidation.	C. ft.	105
